The historical importance of nineteen hundred seventy-six provides us with the opportunity to recall our American past, to reflect upon its everlasting significance, and to employ it for a better future. Our fore-fathers' triumphs as well as defeats helped to mold our present lives as will the actions we take today aid in shaping the lives of coming generations.

We are very fortunate to have the opportunity to participate in the commemorating of our country's two hundredth birthday. This is an

occasion that combines the festivities of a special holiday with the serious contemplation of national problems.

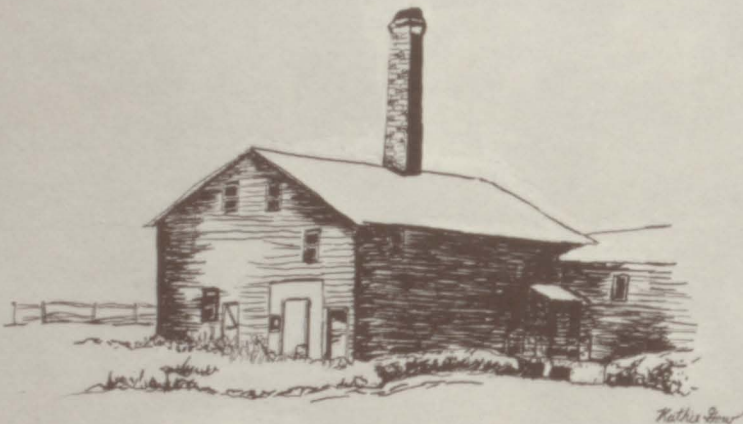

This is also an occasion that enables us, as the current Ramapo students, to be on hand here for the celebration of the twentieth edition of *AD ASTRA*. We may, at this time, remember and reflect upon the early years at Ramapo and perhaps gain some insight into the years to come. Resolutions made this year for the years ahead will hopefully result in experiences of value to future students.

*Thoughts of my dear friend seen in the past . . .  
Will never end.*

*Oh, my dear friend, you will be missed.  
Your mystical ways are all very clear now.  
Your shadow appears behind us – looking at us peacefully.  
If only you would know that our love still grows,  
We would also be at peace.*

*Oh, my dear friend, how can we understand?  
A loss has never affected so deeply;  
Our faith has found no explanation;  
Our hope brings us no comfort;  
But we all come together each day with our sorrow,  
Showing the loss of a person loved.*

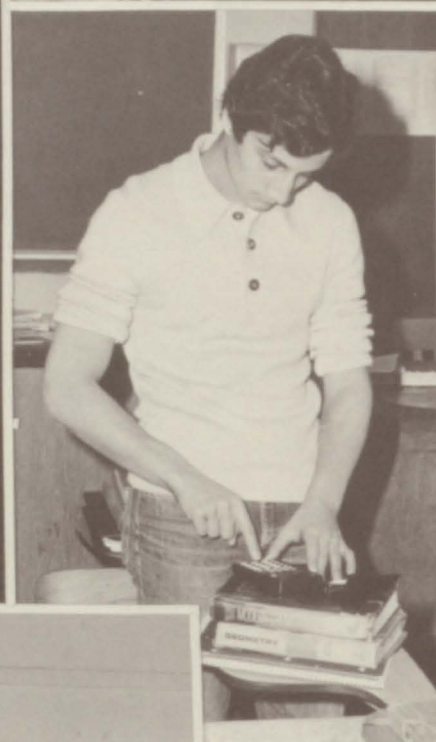

*Peter Hayes*

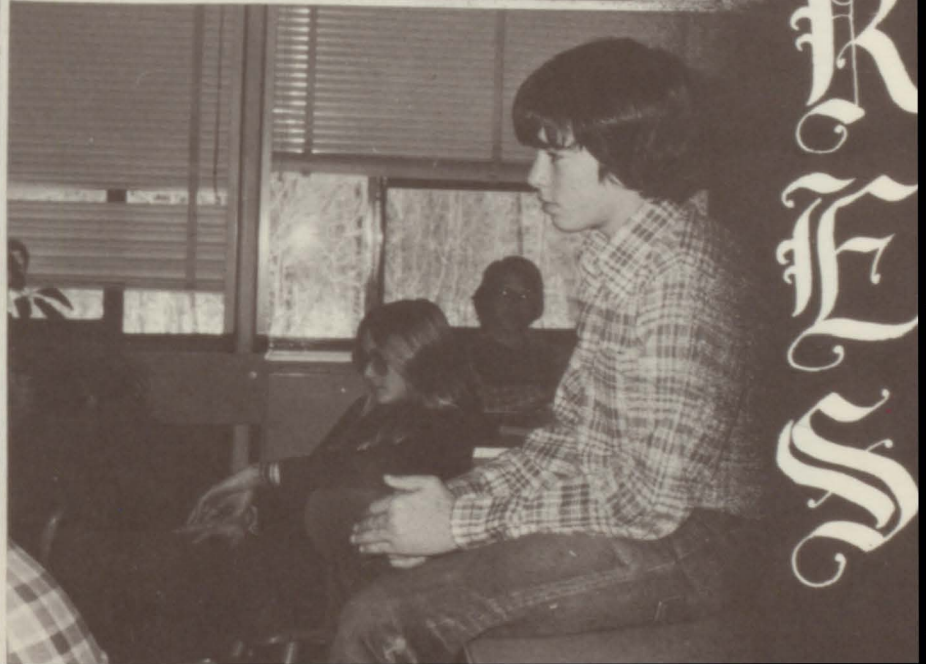

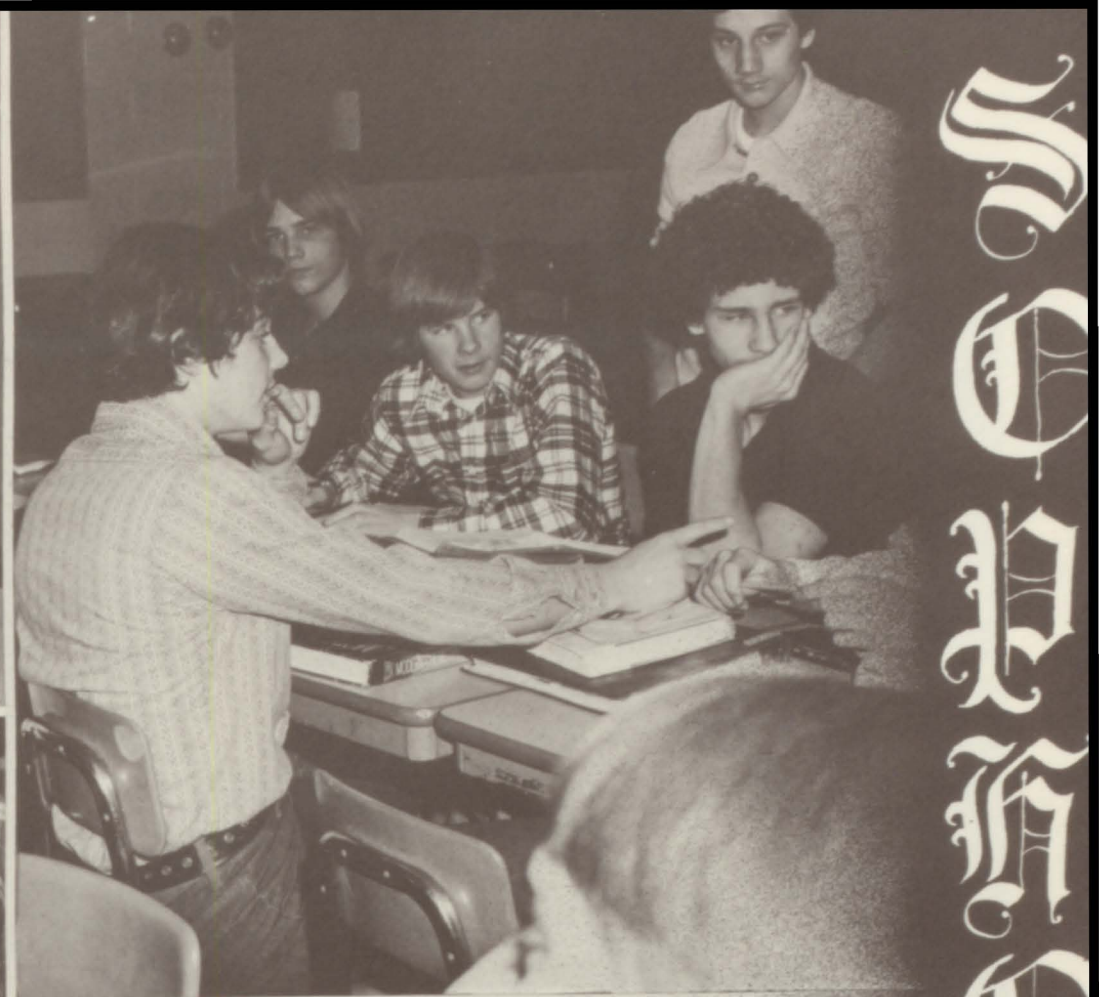

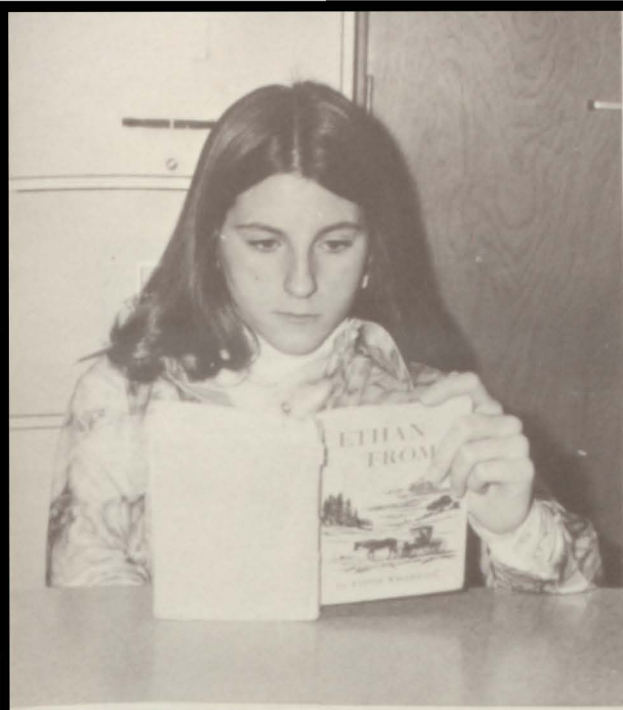

*Oh, my dear friend, you will be missed  
Your life was well spent with people who loved you.  
Let us feel the presence of your smile  
So we may receive warmth and comfort.  
Let us feel the presence of your spirit  
To fill the empty spaces of our hearts.  
Let us know that you can see us and our love;  
Tell us not to experience sorrow or pain.*

*Oh, my dear friend you are so terribly loved.  
Thoughts of you are with us each day.  
Our lives will continue and our love will grow  
We will see you in the future and now . . .  
In the ones we love.*

## to Slippery Season

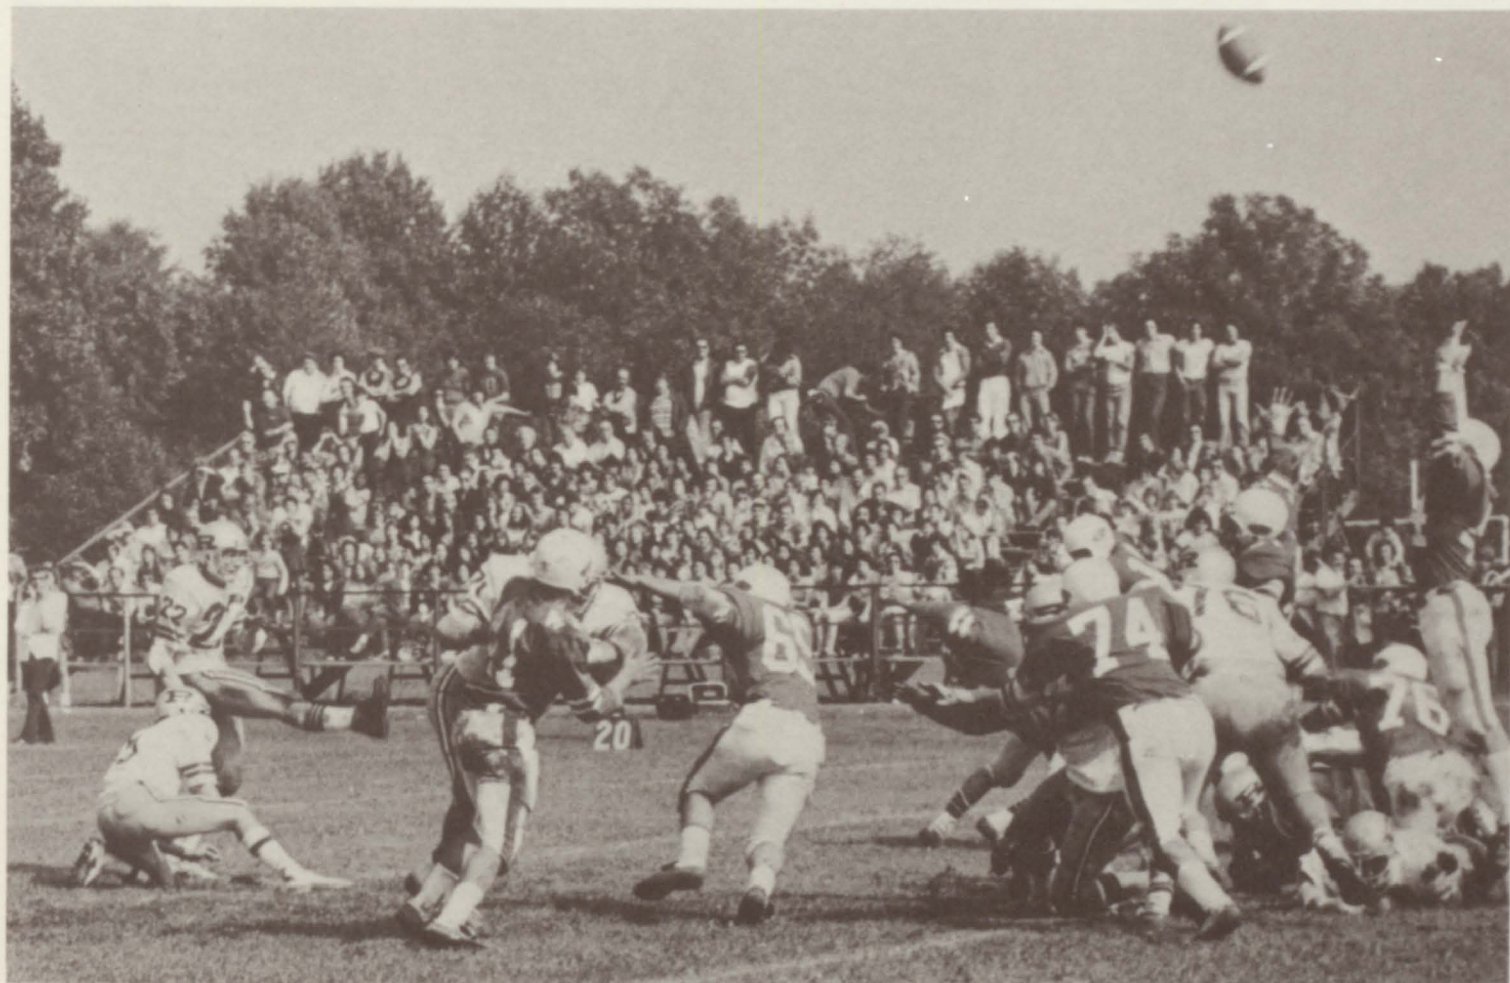

*Rick DeKorte fakes to Jack Kleinert as Steve Aquino comes up to take the hand-off.*

The 1975-1976 Raider football season started off with high hopes for a second consecutive league championship. However, in the end, the season was marked by a number of personal triumphs and a lack of the ability to "put it all together."

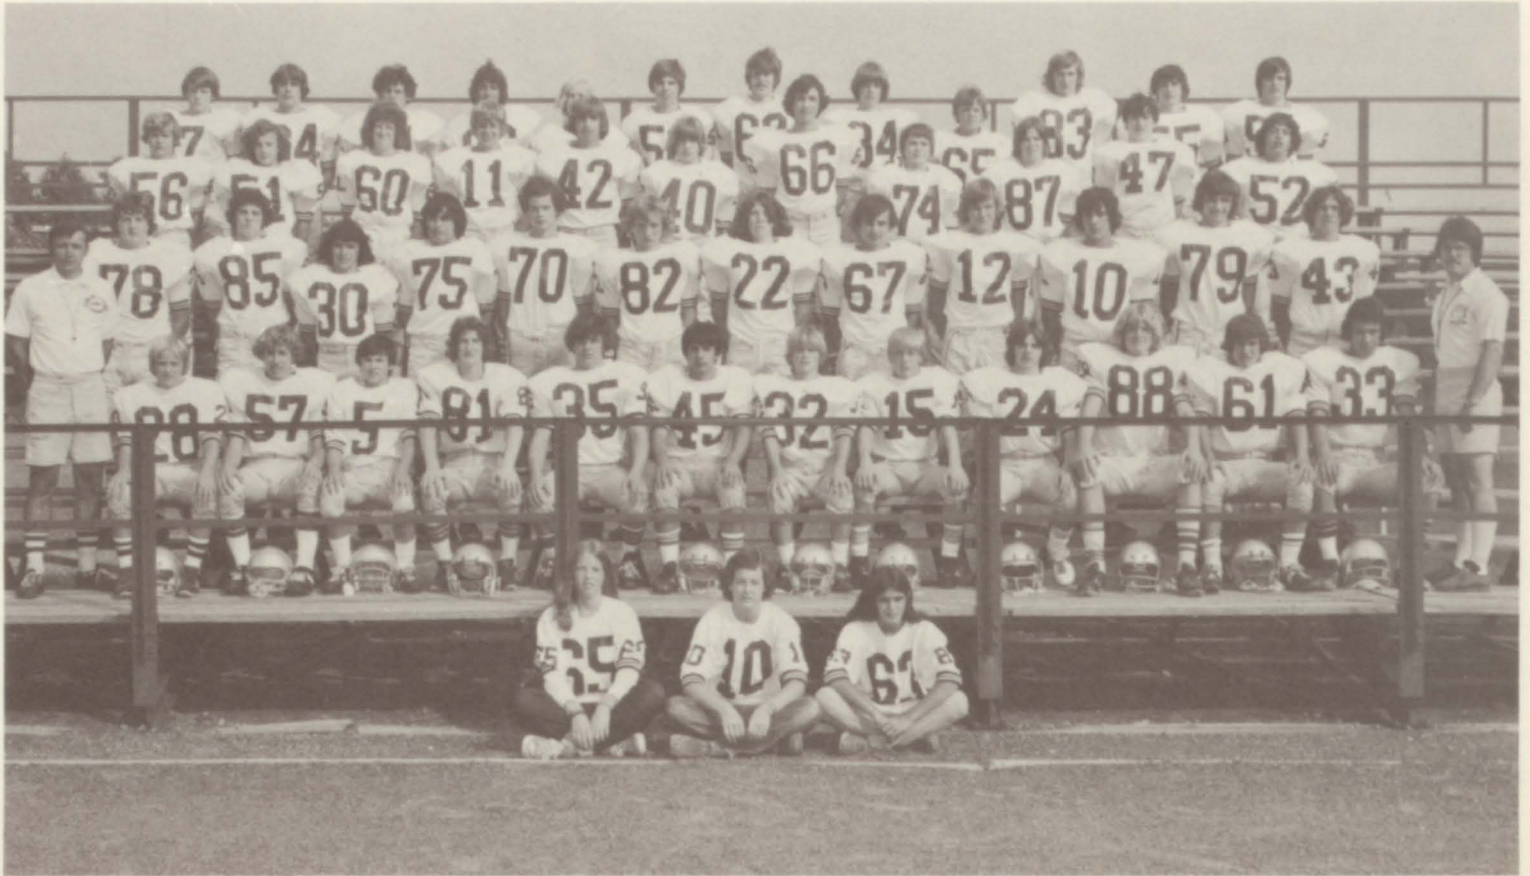

Receiving honors at the close of the year were Seniors Mike Miller, John Campana, Leo Fiorilla, Jim Gray, Jim Kilbridge, Stan Zarembo, and Chuck Zern. A number of close losses cost the Raiders a chance for a winning season. Forming a strong foundation for next year's squad are Juniors Mike Martini, Jack Kleinert, Jeff Hockersmith and Bob Senna.

The Ramapo Soccer Team completed a successful 1975 season as they compiled the best record in the school's history. A 9-3-4 regular season record was good enough for a second place finish in the NBIL. After advancing to the semi-finals in the County Tournament, the Raiders' final tally was 11-5-4. The team finished strong as they were led by Captain John Aubry and all-league fullback Gary "Moose" Joachim. Also receiving honors as all-league was junior wing Steve Schultz. Junior Don Zierold tended the goal with an iron hand as the team recorded shutouts throughout the year. A strong Junior element points to another winning season next year.

A number of narrow losses proved to be the difference between a winning and losing season. Senior "Zeke" Stevenson led the Raiders as he set the Ramapo course record early in the season and went on to shatter his own mark on two different occasions. Filling out the top five runners were, Senior Chuck Foley, Junior Greg Ramsey, Sophomores, Rick Tavares and Dave Folsom.

The team's greatest asset was its depth as all starters received honors at the close of the season. Freshman sensation, Cathy Maso, was a dominant force as she completed the season without a loss. VAN OUDENAREN, PETER

VAN SCHAICK, RICHARD

VAN TILBURG, TODD "I enjoyed assemblies, talking with friends, and senior privileges. I liked crowded halls on rainy days. Most of all, I enjoyed the sound of the last bell at 2:19. I know I'll always remember Graduation Day. After that, I'm undecided about my future.

I participated in Male Chorus, A.V. work, and played on the j.v. Soccer Team.

I say:

*School and life are whatever you make of them."*

VAN VLAANDEREN, LYNN "I will always

remember becoming a cheerleader because they would not let me play on the football team. I remember being thrown in the shower after Thanksgiving Day Game, going to Atlantic City, and unplanned pep rallies. I will never forget my locker teacher, Mr. F., and I will try to forget biology class. It is not the walls that make up a school; it's the people, and Ramapo was fantastic!

My activities included freshman, j.v., and varsity Cheerleading, captain 4; Tri-Hi-Y, class representative, Student Council Activities Committee, AD ASTRA — business manager, National Honor Society.

My thought is:

*You never know unless you try."*

I was a member of the Ramapo Bowling Club."

von GLAHN, DREW

VOSS, DAVID "I will always remember Lynn, going to Italy, parties, Smegs, B.K., Kevin, Lu, and H.T.L., going diving with Miggs, B.K. and L.W. in the Wild Blue Yonder, Hunter trips, Harriman, and the shore, going to Rutgers and Boston, S. and B. and taking pictures at football games. I had good times with Lynn and the rest of the crew. My best teacher was Mr. Hermann. I was interested in track and photography."

VRANESICH, MARC "My remembrances will be of H.E., B.S. — true names, Dicky the bird, breaks and lunches, vacations, craps and Black Jack, after-game parties, Ugo, THE SHED, Tonto's catch, other experiences. Weekends, after-school activities, and summers will always stay in the back of my mind, and these types of things I hope will stay with me for the rest of my life.

I took part in Cross Country, Freshman Fencing, State Champ; YAC, j.v. Basketball.

I say to all:

*Life's too short, so live it up! Blow your wad."*

With help from my friends, I made it through.

WALKER, ROBERT "I will always remember trying to lie to Dr. Soaries and never succeeding, Mr. Van Hoff's moustache, throwing pennies at

Charlie in the cafeteria, trying to get a drop-take slip the first few days of school, Jill's new hair color, Mr. E's new hair color, trying to find toilet paper, the morning announcements, Fuzz Face or Stone Face. I shall return.

My activities were A.V. Aide, Spanish Club, and Marching Band.

My philosophy is:

*If at first you don't succeed, try showing up at school."*

WALKER, WENDY "I will never forget 'Ladies and gentlemen,' the I.B.T.C., the C.C., 'Harry,' Madame, 'the license plate looker,' road rallies with Cliff. I'll always be grateful to Kar, Deb, Flach, Hol, Vale, and to Shar for putting up with her. I plan to major in medicine at college.

My philosophy is:

*Life is rough, but you've got to be tough."* (borrowed from C.S.Z.)

My quote is from Robert Frost:

*... And I — I took the one less traveled by, and that has made all the difference."*

WETZEL, MARIE "I will always remember the great experience gained from being a Teacher's Aide at Lincoln School in Wyckoff. I'll never forget Mr. Gaesser's English 2 class nor the lollipop man, Mr. Liming. I will especially remember all my good friends at Ramapo. I want to go into Early Childhood Education.

I worked with A.F.S. and as a Teacher's Aide.

My quote is really a prayer:

*God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference."*

WHITE, CRAIG

WHITEMAN, RUSSELL "I will never forget summers in O.G., D.J.'s, Shorty and the GREAT WHITE, Canada and New Hampshire. I hope to attend college in Florida.

WINTERS, KEN "I will always remember the smell of the Boys' Gym locker room; I'll never forget Mr. Hudak's class trip to the Poconos for two days. A sickening remembrance is of the selfish ways of many Ramapo people. But, there were lots of good times that are never to be forgotten. In a way, I'm glad to have been here; it was an experience.

I was involved in the tutoring program of youth activities.

I say:

*Eat and let eat at Nathan's."*

WINTON, ANDREW "I will always remember the miserable expressions on the faces of the Marching Band, chained to four years of servitude.
