Monday at the Movies!

**Monday July 1, 2 pm:**
*Hidden Figures (2016, PG, 127)* drama starring Taraji P. Henson, Octavia Spencer, Janelle Monae, Kirsten Dunst, Kevin Costner, Jim Parsons

As the United States raced against Russia to put a man in space, NASA found untapped talent in a group of African-American female mathematicians that served as the brains behind one of the greatest operations in U.S. history. Based on the unbelievably true life stories of three of these "human computers". We follow Dorothy Vaughn, Mary Jackson, and Katherine Johnson as they quickly rise the ranks of NASA and firmly cement themselves in U.S. history as true American heroes.

**Monday July 8, 2 pm:**
*A Star is Born (2018, R, 135)* drama starring Bradley Cooper, Lady Gaga, Andrew Dice Clay, Sam Elliott, Michael J. Harney

A Star is Born stars four-time Oscar nominee Bradley Cooper and multiple award-winning, Oscar-nominated music superstar Lady Gaga. In this new take on the tragic love story, musician Jackson Maine, discovers—and falls in love with—struggling artist Ally. She has just about given up on her dream to make it big as a singer until Jack coaxes her into the spotlight.

**Monday July 15, 2 pm:**

The 1950s space race inspires four West Virginia teens to begin creating their own rockets in the hopes of getting out of their coal-mining town.
