Please note: the new Libby by Overdrive app is NOT supported on Kindles.

Kindle Fire

Option 1: Download the Overdrive app onto your Kindle and sign in using your library card number.

Option 2: Send eBooks to your Kindle. Instructions below.

Kindle eReaders (Paperwhite)

Use the Overdrive catalog in any browser on your computer or the Overdrive app on another device to send eBooks to your Kindle.

Steps for delivering a Kindle format eBook:

1. Go to the Overdrive eBCCLS catalog (<https://ebccls.overdrive.com>) or the app and sign in using your library card number.
2. Select "Kindle Books" under the eBCCLS logo. *On the app: tap the 3 lines on the right.* You can filter your results using the menus to the left (available now, audience, etc). *On the app: tap "Filters" for the drop-down menu.*
3. Click "Borrow" and then "Read now with Kindle."

4. You'll be redirected to Amazon. Click "Get library book" and sign into your Amazon account if prompted.
5. Once signed in, click the "Deliver to" drop-down menu and select your Kindle.
6. When your device is next connected to WiFi, it will automatically download the book.
